This is a song about a well known girl
Who was she?

We will never know the answer to that question

Cecilia - walk in the light
Cecilia - you're gonna live forever
According to a well known song
Cecilia - walk in the light
Cecilia - did you come home and to whom?

Simon and Garfunkel had a little problem
It was something about their hearts you used to break
them and make them go down on their knees
On and on again

Cecilia - walk in the light
Cecilia - you're gonna live forever
According to a well known song
Cecilia - walk in the light
Cecilia - did you come home and to whom?

Romeo and Juliet had another story but they
Were a single pair not free like you still they got a
tragical end

So many years ago life in itself can't hurt

Cecilia - walk in the light
Cecilia - did you come home and to whom?

Passion changes but they will still remember you
I say they loved you and they would do the same for
you today

We'll never know the answer to that question

Cecilia - walk in the light
Cecilia - you're gonna live forever
According to a well known song
Cecilia - walk in the light
Cecilia - did you come home and to whom?

I've been trying to overcome the mental blocks I've got
If they loved you why didn't you respond to all their
pleases
I wonder
I wonder
