Di other night mi and mi crew mek a flex pon di inn
Sight up a rude bwoy and im high roller friends
One look and mi know wid him mi want spend some
time
Mi say "can I take ya home with me tonight?"
One look inna mi eye, im see seh mi nah pretend
Jump out off of mi car, jump inna fi im benz
im mash up im, im cousin see weh mi a defend
Mi say "hurry bwoy! step pon di gas if ya ready fi di
ride"
Make way, before mi start chat, di bwoy touch mi spot,
mek mi get crazy
Never felt dis before, got mi begging for more right
pon di highway
Yo di bwoy got game
Touch mi pon mi tits, got mi jirating
Yo mi sweat like hey
Should a see mi eye dem a roll inna di sky
Tun to him and say

You a di betta wuk
Any bwoy want ease dem outta luck
Hurricane caan move mi cau mi stuck
Never knew one man could a really mek mi feel like so
oh
You a di betta wuk
Any bwoy want ease dem outta luck
Hurricane caan move mi cau mi stuck
Never knew one man could a really mek mi feel like so

By disya time, yo mi wetter than wet
Week inna mi knees outta di car mi couldn't step
The bwoy hold mi hand and mi lose all mi breath
Im say "anything you coming for, dat you a go get"
Asked mi if mi ready and mi ball out "Yes"
Before mi could a blink di bwoy pop off mi dress
Im say "tell mi what you like" and mi say "bwoy tek a
guess"
Im say "tun round gal, mi a gi ya dat direct"
Couldn't believe mi eyes when mi behold di size of di
big cane
Think mi did bad but di stab got mi falling down like

rain
Yo di bwoy insane
Finally get a man fi mek mi understand pleasure
unpain
A gyal nuh bother try realize from the John Cecile now
stray

You a di betta wuk
Any bwoy want ease dem outta luck
Hurricane caan move mi cau mi stuck
Never knew one man could a really mek mi feel like so
oh
You a di betta wuk
Any bwoy want ease dem outta luck
Hurricane caan move mi cau mi stuck
Never knew one man could a really mek mi feel like so
