I'm gonna get down with my baby,
And I'm gonna get down, with her soon.
She's on her way, and I just can't wait,
She'll be back by this afternoon, wooo
I'm gonna get down with my baby, (I'm a waiting for
this moment baby)
And I'm gonna get down, with her soon. (Know it all
along that it was going to happen)
She is on her way, and I just can't wait, (Here in through
the moment to down baby)
She'll be back by this afternoon, (I knew you've come
through) wooo
I'm gonna get down with my baby, (You owed to
yourself baby)
And I'm gonna get down, with her soon. (You were with
him for way too long)
She's on her way, and I just can't wait, (Traped on your
own fears for almost eight years)
She'll be back by this afternoon, wooo
I'm gonna get down with my baby, (And all you had to
do was wake up and walked out)
And I'm gonna get down, with her soon. (Cause I was
here waiting all alone)
She's on her way, and I just can't wait, (And I just can't
wait)
She'll be back by this afternoon, (And now you know)
wooo
I'm gonna get down with my baby, (Now you know that
you belong to yourself)
And I'm gonna get down, with her soon. (Not to him, not
to me)
She's on her way, and I just can't wait (And I just can't
wait)
She'll be back by this afternoon, (And you choosed me)
wooo
I'm gonna get down (Thank you) with my baby.
