Im living in a story written by the dream
Of a movie star in a movie.
Im sleeping in a bed inside of a motel
On a dirty road by the freeway.
Im swimming in the waters hidden in the streams
Of a river made for the blue sea
Im living in a story written by the dream
Of a movie star in a movie.
All I do is look around for your help
And see no one nowhere.
All I do is look around for your help
And find no one nowhere.
Im looking at the twin towers shaking off a cloud
Full of molecules and pollution.
Im crawling down a subway, entering a cave
Of graffitti marks: evolution.
All I do...
