My Love Lyrics

(Will never die)

Saw you last night again in a vision looking so lovely.
Can't believe you took my breath away, love that I'm
feeling.
I reached out to touch you then you were gone again
my friend
I hope we were lovers, maybe someday even more
than friends.

[Chorus]

This love that I got, spirits fly so high, straight to the
mountain top.
No turning back, the river's run dry.
My love will never dry (trust me believe me it's true)
My love will never dry (trust me believe me it's true)
My love will never die
My love will never die

Full moon tonight again and I'm wanting you, feel like
romancing.
Got my bedroom set for 2, just me and you.
We've flown our magic carpet to the stars I know you
like it.
I'll be a genie if you ask it just bring your lamp and I will
rub it girl.

[Chorus]

We've flown our magic carpet to the stars I know you
like it.
I'll be a genie if you ask it just bring your lamp and I will
rub it girl.

[Chorus x2]

My love, my love will never die
My love will never die
My love will never die
My love will never die
