Lalala, Lalala, Lalala, Lalala  
Hummm, Hummm, Hummm,  
Yeah yeah yeah yeah yeah  
Ladyyyy

You want me, I want you  
Go some place, just us two  
You touch me, I touch you  
Undress me and IÂ...  
Turn you upside down  
Spin you round and round  
And I make you moan  
So why don't you come be my lady

Come on

Baby just picture the scene,  
Me and you down by the sea  
Sleeping on nice  
Living a freak fantasy

There's so many things, I wanna do  
Yeah, So it would really be cool if you'd become my  
lady.

Yeah Girl I would picture your set (set)  
And you standing there wet (wet)  
Your matter is to take off that dress (dress)  
So I can release your stress

I'll take you where, you've never been before  
I'll give you the real hard core, if you'd become my  
lady.

Come on

You want me, I want you  
Go some place, just us two  
You touch me, I touch you  
Undress me and IÂ...  
Turn you upside down  
Spin you round and round

And I make you moan  
So why don't you come and be my lady

I got a penthouse on the beach  
Just tell me what time we can meet  
I'll manifest your wildest dreams  
Simply your peaches and cream  
There's so many things, I wanna do  
Yeah, So it would really be cool if you'd become my  
lady

When you'll be ready to be satisfied (satisfied)  
Call me, I'll send you my ride (ride)  
To bring you back to my hive (hive)  
Please does it so sweet, you can be nice

I'll take you where, you've never been before  
I'll give you the real hard core, if you'd become my  
lady.

Come on

You want me, I want you  
Go some place, just us two  
You touch me, I touch you  
Undress me and I...  
Turn you upside down  
Spin you round and round  
And I make you moan  
So why don't you come and be my lady

Girllll, I want you to say my name  
Do it over and over again  
On the bank or under the moon  
We'll do what we wanna do  
And we can freak the night and then  
Until the night again

I'll take you where, you've never been before  
I'll give you the real hard core, if you'd become my  
lady.

Come on, come on, come on, come on

You want me, I want you  
Go some place, just us two  
You touch me, I touch you  
Undress me and I...  
Turn you upside down  
Spin you round and round  
And I make you moan

So why don't you come and be my lady
