*[Chorus 1:]*

Ooh ooh so hot  
Don't stop i love your sexy ways  
(Love the way you wine up on me)  
(I love your) sexy ways  
(You look so fine i'm blind i can't see)  
(I love your) sexy ways  
(Gal your winin' gal is so sweet)

*[Verse 1:]*

Just the touch of you puts me in the mood  
(I love it)  
That sensuous fabulous body too  
(I love it)  
Come let show you work your magic on me  
(I love it)  
Can't you see your driving me craaaaaaazy  
(I love it)

Every move every momentary gaze  
I'm in a mess bwoy i'm putty in ya hands  
See ya body magic puts me in a trance  
So hot don't stop i love it

Keep it coming shorty hit me one more time  
Sugar you got me feelin so divine

So hot don't stop i love ..

*[Chorus]*

*[Verse 2:]*

So blessed now you put your sugar on me

(I love it)

Bwoy i been lost in your body

(I love it)

First day with you i say it was a treat

(I love it)

I felt so sweet i started to stir craaaaaaazy

(I love it)

From the moment that you touched me hypnotized

I must confess i am putty in ya hands

I wanna hold you coz i'm ??

So hot don't stop i love it

Shorty your a woman compromise

The thought of you makes me rigid in my thighs

Just sit alone gal and your wish is my command

So hot don't stop i love it

*[Chorus]*

(Ooh sha la la la la la la)

(Ooh so hot don't stop i love it)

(Ooh sha la la la la la la)

(Ooh so hot don't stop i love it)

Oh boy the way you walk is so sweet

Oh boy

I love it

Oh boy the way you talk is so sweet

I love it

Oh boy i get so weak from your body heat

I love it

So hot don't stop i love it

*[Fade]*
