[Hook]

To all the ladies in the dance
Hey ah oh oh

[VERSE 1]

I was all control
When I seen you standing there in front of me
Your style, your clothes, your hair
You're fare, woman you look so sexy
The way you wine
And the way you dance
And the way that you twist and turn your waist
Leaves me wanting
Leaves me yearning
Leaves me feening for a taste

[CHORUS]

Before the end of the night
I wanna hold you so tight
You know I want you so much
And I'm so tempted to touch

Tempted to touch, tempted to touch
A little woman man I need you so much
Tempted to touch, tempted to touch
A little woman man I'm inside your clutch
Tempted to touch, tempted to touch
A little woman man I need you so much
Tempted to touch, tempted to touch
A little woman man I'm inside your clutch

[Hook]

To all the ladies in the dance
Hey ah oh oh

[Verse]

I don't even know your name
Little woman I don't even know your age
But there's something about you girl
When I see you wining in front the stage
Please forgive me, please excuse me
But there's nothing else that a man can do

I can't help myself
Little woman I just need to be next to you

I wanna feel you
I wanna squeeze you
I wanna hug and kiss and caress you
I wanna love you

And place no one else above you

I wanna hug and kiss and caress you
I wanna love you
I wanna touch you
You know woman I wanna wings of a dove you

CHORUS

[HOOK]

To all the ladies in the dance
Hey ah oh oh

VERSE 1
