never wanna make u cry
never wanna make those tears, come to your eyes

I know it's been hard between us
Don't know who you can trust
But girl it's me
cuz what we had was more than just luss
It seems that we always fallin'
But that don't mean a damn thing
Just as long as we always have an understanding

So put all of your bettings on the side
Cuz i'm gonna take you on a ride
And forget your pride
I never want to hurt you lady
So just come and hold me honey
refrao 2x
I wanna make you mine, all the time
Thats no lie (thats no lie)
I wanna make you mine, all the time
Thats no lie.....Aw girl
Never Wanna Make U Cry
Never wanna make those tears, come to your eyes
You think that i really don't love you
That could never be true
Cuz no matter what i'll always be real to you
So tell me what i layed on my line
Without you i'm ready to die
Cuz it's so hard for a man who expresses true love

So put all of your bettings on the side
Cuz i'm gonna take you on a ride
And forget your pride
I never want to hurt you lady
So just come and hold me honey
Refrao 2x
I wanna make you mine, all the time
Thats no lie (thats no lie)
I wanna make you mine, all the time
Thats no lie.....Aw girl
Never Wanna Make U Cry
Never wanna make those tears, come to your eyes
