If I could decide on what i've decided
If I could confide in whom i've confided
And if I believed in all I believe in
We deny it all
No trust inside

If we could see ourselves
Would we get it right?
If we don't feel at all
How can we feel alive?

If I could fight for all that i'm fighting
And if im alive then tell me what am I living
And if i'm to be oh tell me what is my being
We deny it all
There's no trust inside

If we could see ourselves
Would we get it right?
If we don't feel at all
How can we feel alive?

How can we feel alive?

If we never fall
And if we only breathe
And if we want at all
Who would we want to be yeah

If we could see ourselves
Would we get it right
If we don't feel at all
How can we feel alive
If we could see ourselves
Would we get it right
If we don't feel at all
How can we feel alive
