Oh my God
Here I go again
Jumping off this platform
To another end
Oh my God
See me going deep
Won't You take these millstones
From around my feet

And it's a tragedy (I know)
This state I'm in

Why'd you choose me when you knew I wasn't tough
enough
Why'd you send me when you knew I would run
Why'd you put me into places that I didn't want
Why'd you call me when you knew I'd hang up

Oh my God
Can You see through me?
Can Your pierce the darkness?
God Your charity
Is the only song that I cannot sing

Why'd you choose me when you knew I wasn't tough
enough
Why'd you send me when you knew I would run
Why'd you put me into places that I didn't want
Why'd you call me when you knew I'd hang up

You hold me up
And pull me down
And twist me around in circles
And take me out
And put me back
Depending on the situation

Oooh

Oh my God
Can I feel your hand?

I need direction and
A place to land

Why'd you choose me when you knew I wasn't tough
enough (why did you choose me)
Why'd you send me when you knew I would run (send
me on)
Why'd you put me into places that I didn't want (why did
you send me there?)
Why'd you call me when you knew I'd hang up

Is this my platform?
