And time will set the tone of dreams
But life waits for no ones needs
No love at all.
And we steal from the song she sings
We feel cause of what she brings
The sweetest mellow tone

Her days have gone
Her weeks have run
Her years have past they've left no one
Inside you find you're drowning in her sorrow

And time lies with the day she brings
My time rushes everything
I've walked her sands alone
Oh and we reel in her crush believe
We steal from her sympathy
We will
The sweetest mellow

Her days have gone
Her weeks have run
Her years have past they've left no one
Inside you find you're drowning in her sorrow
But I feel, I feel,
Restless.

Do what you need, this songs for
Do what you need, this songs for
Do what you need, this songs for

The sweetest mellow tone

Her days have gone
Her weeks have run
Her years have past they've left no one
Inside you find you're drowning in her sorrow
Her days have gone
Her weeks have run
Her years have past they've left no one
Inside you find you're drowning in her sorrow
But I feel, I feel,

Restless
