If I could talk  
Your lips would taste my pain  
Losing my mind  
Tonight your suffering  
Who song could sing?  
What you need to see  
That my "sometimes" and my "lovers" read  
But tonight  
I haven't lost a thing  
If we just walked away

But tonight  
If we just walked away

And if I could cry  
My tears would tell you things  
Have you seen loss?  
Have I changed everything?  
If we just walked away

But tonight  
If we just walked away  
If we just walked away  
If you just walked away

If I could lie  
My heart won't break the same

But tonight  
If you just walked away  
If you just walked away  
If you just walked away
