Oh, mon amour  
Mes pensées sont en voyage  
Elles s'enroulent comme un ruban  
Oh, my love, I've been searching  
But I don't know how  
To find my way in the world without you

J'ai emprunté des chemins  
Et des sentiers sans retour  
J'ai même perdue le nord quelquefois  
J'ai prié les dieux  
Les centaures  
Jeté des sorts  
Pour me rapprocher de toi

My love, where have you been?  
I've sailed the seas  
I've climbed the mountains  
No sign of you  
Oh, my love, where have you been?  
Oh, my love, where have you been?

Au fil des jours  
J'ai confondue les langages  
Et même les sentiments  
Oh, my love  
I've been trying but I don't know how  
To sing this love song again without you

J'ai ramassé en chemin  
Des coquillages d'argent  
Entendue la mer quelquefois  
J'ai prié si fort  
Les étoiles  
Tordue mes mains  
Pour me rapprocher de toi

My love, where have you been?  
I've sailed the seas  
I've climbed the mountains  
No sign of you

Oh, my love, where have you been?  
Oh, my love, where have you been?

My love, where have you been?  
I've sailed the seas  
I've climbed the mountains  
No sign of you  
Oh, my love, where have you been?  
Oh, my love, where have you been?
