Your Vicki Secrets, can you keep them
Your Vicki Secrets, can you keep them
Your freaky secrets can you keep them
Your Vicki Secrets, can I have them
Let's go
Up in your room, I know your mama ain't home tonight
What can we do, laying back in my draws just watchin'
tv
Right next to you, with my hand on your thigh, look in
your eye
You feel it too, now what I want to know is...

[Chorus:]

Your Vicki Secrets, can you keep them (can you keep
them babe)
Your Vicki Secrets, can you keep them (can you keep
them)
Your freaky secrets can you keep them
Your Vicki Secrets, can I have them

Girl I love the way you tease me, the way you play
Love the way you act like it's not today
I know you don't really mean what you say
When you mean mug and push me away (girl stop
playin')

Girl it's so cute,
And I love it, I love it, I love it, I love it
Tell me the truth,
Cause what I want to know is

[Chorus:]

Your Vicki Secrets, can you keep them (can you keep
them babe)

Your Vicki Secrets, can you keep them
Your freaky secrets can you keep them
Your Vicki Secrets, can I have them

Can I have you all to myself
Can I go down, help you undress
You say slow down, but I know it's time

To let go, let it go

Your Vicki Secrets
Your Vicki Secrets
Your freaky secrets
Your Vicki Secrets

Up in your room, I know your mama ain't home tonight
You feel it too and what I want to know is

Your Vicki Secrets, can you keep them (can you keep
them baby)

Your Vicki Secrets, can you keep them (can I keep
them)

Your freaky secrets can you keep them

Your Vicki Secrets, can I have them
(I said one more time)

Your Vicki Secrets, can you keep them

Your Vicki Secrets, can you keep them

Your freaky secrets can you keep them

Your Vicki Secrets, can I have them

Your freaky secrets

(I can't even sing no more. It's time for me and you to
do what we came to do)
