Between the hours of adventure and the birth of a new day.

Keep a searching for the evil man who led me so astray.

You may not understand the reasons or believe in all the lies.

The illusion is too large to ever compromise.

It's all right, it's all right.

If you find me on the sidewalk of life.

Hear those voices on the radio, passing through or in disguise.

Where did you ever get the idea that the music man had died.

Let there always be a hero, who will lead us from this path.

Many men have tried before and now I am here at last.

It's all right, it's all right.

If you find me on the sidewalk of life.

It's all right, it's all right.

If you find me on the sidewalk of life.

Oh man! What you doing with your life. Oh man! What you doing with your life.

Oh man! What you doing with your life. Oh man! What you doing with your life.

Oh man! What you doing with your life. Oh man! What you doing with your life.

Oh man! What you doing with your life. Oh man! What you doing with your life.

Oh man! What you doing with your life. Oh man! What you doing with your life.

Oh man! What you doing with your life. Oh man! What you doing with your life.

It's all right, it's all right.

If you find me on the sidewalk of life.
