Tomorrow might be a better day
Perhaps I'll find the words to say
How the hours feel like months today
Just stuck in my 4 walls

The colours left my picture frames
The TV does not know my name
And the numbers on my clocks wont change
Inside of my 4 walls

In here, it's so lonely without you
In here, it's just me in my 4 walls
In here, I'm waiting for you to
Rescue me from my walls closing in on me

Don't you walk on by
Don't you walk on by

My humour won't come out to play
Even the post has nothing new to say
Looks like the only thing that's here to stay
Is the gloom of my 4 walls

Perhaps tomorrow I will find the words to say
How much I've been missing you.
Because tomorrow you might be here to stay
With me in my 4 walls

In here, it's so lonely without you
In here, it's just me in my 4 walls
In here, I'm waiting for you to
Rescue me from my walls closing in on me

Don't you walk on by
Don't you walk on by

You could paint my room all the rainbow colours,
But you do that anyway, just by being here

Don't you walk on by
Don't you walk on by
