Cee Lo Green feat. Melanie Fiona

Fool for You

(Cee-Lo):

Aye yeah! Ayeeee!

That real, that deep, that burnin', that amazing,
unconditional, inseparable love!

That feel like forever, that always emotional, but still
exceptional love

Can't nobody tell me nothing, it is what it is

And every mistake you make I, I just may forgive

OH! Right now, right now, at this very moment, still love
her like I

loved her then

OH! I love her in and out and up and down and round
and round and

over and over again

So rare they swear that you just don't exist!

And it's only one person I can think of make me feel
like this

Chorus:

And I'm a fool! Such a fool! For You!

(Melanie):

OH! So sweet, so deep, so real, ooh-wee!

Got damn that's some powerful stuff!

OH! How you do it, just d- do it, keep me coming,

Baby I can't seem to get enough

What you do, what you say, makes me wanna la, la love
you

Baby, I don't even have a choice!

OH! And if i did, it still be you, cuz you the man, among
these other boys!

Sweet suga, I surrender,

White flag!

OH I won't even put up a fight

OH! Cuz there ain't damn thing wrong about this kind
of lovin'

Ooh when it feels so right

Gonna, write a letter, tell it to my mamma

And she gon' tell the world that I love you!
OHH! Some people probably say I'm crazy, but I don't
mind being a fool
for you!

Chorus:

I'm a fool! (Melanie: Ima fool) Such a fool!

For you! (Mel: for you!)
