(Whistles)

Run run run away so long lost never comin
Home rollin rollin down a track
No no i'm never comin back
Love pump openin on my veins
Our love I hope its not too late
That's the road that's the load that's the role
I've been down i've been down I've been down down

(What's part of forever)
(Don't you understand)

I could stay stay stay, if that's what you want want want
I'd give it to you you you
If I had a heart heart heart
And we could go go go
And never look back on now
I'd give it to you you you
If I had a heart heart heart

Run run run away so long lost never comin
Home rollin rollin down a track
No no i'm never comin back
Love pump opening my veins
Our love I hope its not too late
That's the road that's the load that's the role
I've been down I've been down I've been down down

(What's part of forever)
(Don't you understand)

I could stay stay stay, if that's what you want want want
I'd give it to you you you
If I had a heart heart heart
And we could go go go
And never look back on now
I'd give it to you you you
If I had a heart heart heart

Imagine eternity, doesn't seem that long

They say nothing lasts forever
We'll have to prove them wrong

I could stay stay stay, if that's what you want want want
I'd give it to you you you
If I had a heart heart heart
And we could go go go
And never look back on now
I'd give it to you you you
If I had a heart heart heart
