your sure she wants to party tonight,  
and I'll be here,  
i just saw her looking at me  
and all she said,  
every time i turn around  
you seem to be worried about me  
what about me.

and i'm down with the  
things you like,  
and i can take the lead,  
and in it all that time,  
and i give her the space  
she needs,

even though i can't explain  
how i did a dang thing,  
i would put it on my life.

CHORUS:

i do it better than her,  
i do it better than her,  
i do it better than her,  
i can do it better than her,  
i do it better than her,  
i do it better than her,  
i can do it better than her,  
i can do it better say,

hey hey hey  
you can do it better say,  
hey hey hey  
everyone together now,  
hey hey hey  
you can do it better say,  
hey hey hey.

and she showed up to the party at all and no reason,  
she better do it over again,  
and she's leaving,  
i don't really feel so bad  
cause i know your better

without her what about her,

and i'm down with the  
things you like,  
and i can take the lead,  
and in it all that time,  
and give her what she needs,

even though i can't explain  
how i did a dang thing  
i can show you tonight,

CHORUS:

i do it better than her,  
i do it better than her,  
i do it better than her,  
i can do it better than her,  
i do it better than her,  
i do it better than her,  
i can do it better than her,  
i can do it better say,

hey hey hey  
i can do it better say,  
hey hey hey  
everyone together now,  
hey hey hey  
you can do it better say  
hey hey hey,

and i'm down with the  
things you like  
and i can take the lead  
and in it all that time  
and i give her what she needs

even though i can't explain  
how i did a dang thing  
i can show you tonight

CHORUS:

hey hey hey  
you can do it better say  
hey hey hey  
everyone together now  
hey hey hey  
you can do it better say  
hey hey hey

i'm still better than her(8x)

I'm still better than
