[Intro - Birdman]

Yeah
Cash money heroes
Private jets
Polish, fly!

[Chorus - Kevin Rudolf]

I look up to the sky
and now the world is mine
I've known it all my life
I made it, I made it!
I used to dream about, the life I'm living now
I know that there's no doubt
I made it, I made it!

[Verse 1 - Kevin Rudolf]

Known from the city where no one believed in me
But I never gave up the fight.
Yeah, but now I'm on top.
I told you to let it rock (Rock!)
Now the money's fallin' from the sky-y-y-y-y
I made it.

[Chorus]

I look up to the sky
and now the world is mine
I've known it all my life
I made it, I made it!
I used to dream about, the life I'm living now
I know that there's no doubt
I made it, I made it!

[Verse 2 - Birdman]

Yeah
YM
CMB baby
Birdman
Swagged out
100
Rooftop, hella choppa burning smoke
Louis bag stay strapped wit' a priceless glow
High life, flippin' and gettin'some more.

Paradise, the luxury marble floor
When I hit, hit me full of that cash
More money than I seen in a garbage can
On Stunna Island, money and the power
That's how we do it, make it rain make it shower
Top floor, big timer doin' big things
Over city views bought shawty new Range
Flip another 100, poppin' throwin' hundreds
In a new Bently, uptown stunna!

[Chorus]

I look up to the sky (to the sky!)
and now the world is mine (the world is mine!)
I've known it all my life (all my life)
I made it, I made it!
I used to dream about, the life I'm living now
I know that there's no doubt
I made it, I made it!

OOOOH I made it

i made it

i made it

i made it

I-I-I made it

[Verse 3 - Jay Sean]

Yo, ay, ay, ay, listen

See I don't live for glamour, and I don't care for fame

I'm in this for the love of the game

Funny how things can change

They didn't believe in me then

Now callin' my na-ame

Now look who cashed in

They didn't wanna know me back then

But ever since I done gone platinum

Everything turned around

And now the sky is falling downnnnnn

[Chorus]

I look up to the sky (down now)

and now the world is mine (mine)

I've known it all my life (oh oh oh oh oh oh)

I made it, I made it! (i made it)

I used to dream about, the life I'm living now

I know that there's no doubt (oh ho)

I made it, I made it!

[Verse 4 - Lil' Wayne]

Came from the gutter, lookin' like my motha

Made it to the goal line, straight out the huddle

Cash Money goldmine, Weezy stay loyal

Boy we gettin' money like we just found oil

Uh and that's word to my red flag
I live first and leave the bull dead last
I lay it down so hard I got a bedrash
And i just tell 'em to loaf it when the bread pass
Starin' at you from the top of the game man
I might drop the world if I change hands
Uh, it feel good to be here
Weezy in the building got this rebuilt
Young Money

[Chorus]

I look up to the sky
and now the world is mine
I've known it all my life
I made it, I made it!
I used to dream about, the life I'm living now
I know that there's no doubt
I made it, I made it!
i look up to the skyyy!
i made it!

Ooo!
i made it
I made it
I-I-I made it
i made it
i made it
i made it
Yes I did
Yes I did
Yes I did
Yes I did
Yes I did
I-I-I made it
