Verse 1:

I can't wait for the day to end
So I can finally see your face again
We'll find a way if my wish comes true tonight (tonight
2x)

Even though I've never met you
I still miss you
Can you feel me in your dreams
Cause I hope that when you wake up
Just maybe you'll remember me

Chorus:

And now I believe that this is fate
Cause baby we belong together
I know everything is gonna be okay
Just as long as we have each other
Through the sunshine and through the rain
I know that it'll last forever
Just last night I stayed up late
And I wrote you a love letter (letter 2x) 2x

Verse 2:

Tell me, am I insane
I sat your letter on the window pane
I thought of you and I let it fly away, away, and it read

Even though I've never met you
I still miss you
I can see you in my dreams
And I hope that when you read this
That you'll come runnin' back to me

Chorus:

And now I believe that this is fate
Cause baby we belong together
I know everything is gonna be okay
Just as long as we have each other
Through the sunshine and through the rain
I know that it'll last forever
Just last night I stayed up late

And i wrote you a love letter (letter 2x) 2x
And I know we'll always be together (together 6x) 2x

Even though I've never met you
I still miss you
I can see you in my dreams
And I hope that when you read this
That you'll come runnin' back to me

Chorus:

And now I believe that this is fate
Cause baby we belong together
I know everything is gonna be okay
Just as long as we have each other
Through the sunshine and through the rain
I know that it'll last forever
Just last night I stayed up late
And i wrote you a love letter (letter 2x) 2x
And I know we'll always be together (together 6x) 2x

Outro:

And although I've never met you
You're the one that I've been missin' all my life
