All the train came trippin thru the station
This mad hatter he was beaming at me
You cool cat
You think that you kno me
Iâ€™m not the same person that I used to be
Your cards dealt your playing them wrong boy
And thereâ€™s a few things that you need to kno
I took the elevator up to the top
And I followed that rabbit all down the hole

I told my self I belived it
But who was I kidding
Out of these eyes I could see it
But itâ€™s all a lie the end is near I can feel it
Ya itâ€™s comin around but know
thereâ€™s no doubt itâ€™s settled
And thereâ€™s no no way out no way out

Switch got me caught up in a twister
Iâ€™m skipping all down that yellow brick road
I said to the tin man sorry canâ€™t help ya
They ripped my heart out long time ago
And now Iâ€™m feeling like the cowardly lion

I wanna break out but Iâ€™m paralyzed
The yellow bricks led me staright to the wizard
He said itâ€™s all your state of mind

I told myself I believed it
But who was I kidding
Out of these eyes I could see it
But itâ€™s all a lie
The end is near I can feel it
Ya itâ€™s comin around
But now thereâ€™s no doubt itâ€™s setteled

And thereâ€™s no no way out
And thereâ€™s no no way out
And thereâ€™s no no way out
And now thereâ€™s no doubt itâ€™s settled
And thereâ€™s no no way out
No way out ya oh oh oh

I told myself I believed it
But who was I kidding
Out of these eyes I could see it
But it's all a lie
The end is near I can feel it
it's comin around and now there's
no doubt it's settled
there's no no way out
