i was coming back from tennessee,  
the longest road i've ever scene,  
part of me wanted to stay,  
part of me just had to leave,  
coming back from tennessee,  
six feet up from my grave,  
who did you expect to see,  
not the person that i became,

it's ok i can see  
your afraid i can leave,  
you can stay,  
now i gotta be on my way

all i ever wanted to do  
is follow this dream  
till i make it come true,  
all i ever wanted to be  
was more than a lie  
that you still believe  
and i leave tennessee,  
and i leave tennessee,

you baby did you know  
that i'm alive,  
this ain't the resurrection of christ,  
you know you try to swallow my pain,  
the lesson that i never survived, its ok now i can see  
your afraid i can leave  
you can stay,  
just get out my Fucking way,

all i ever wanted to do  
was to follow this dream till i  
make it come true,

all i ever wanted to be  
was more than a lie that you  
still believe  
and i leave tennessee,

yeah yeah

in the back of a bentley,  
rockin fendi's  
she love me like i love my money tennessee colors  
all black hummer  
police knows that we've been bumpin'

smoke in the air  
no fear  
cash money billionaires  
two mill a pair  
what we wear stop and stare

10-a-key parrin fleece  
suede seat, trunk speaks  
O G  
title 40 got me  
leavin' tennessee

all i ever wanted to do  
was to follow this dream  
till i made i come true,  
all i ever wanted to be  
was more than a lie  
that you still believe  
and i leave tennessee,  
and i leave tennessee,(4x)
