

## Kevin Rudolf "Whatchu Waitin For"

Visit "[Whatchu Waitin For](#)" on [MotoLyrics.com](http://MotoLyrics.com)

After a few shots, she can go all night  
I hit the right spot and she's all mine  
There's only one way you can know for sure  
What are you waiting for, whatchu waiting for?

Why don't we go back and escape the world  
I see those eyes and I know you wanna  
Leave this place so bad, yeah  
I feel it, you feel it

So whatchu waiting for, baby, I'm the one  
Who can show you what it's like if you try to come  
Take you to a place you've never been before  
What are you waiting for, whatchu waiting for?

Whatchu waiting for?  
(Whatchu waiting for, whatchu waiting, whatchu waiting  
for?)  
Whatchu waiting for?  
(Whatchu waiting for?)  
Whatchu waiting for?

Put your drink in the air  
Shake them tits like you don't care  
Lots of booty you should share  
Nigger like me get tired of starin'

Play it like me, I been tryin' to get it  
Strip club in a club, when I made my sittin'  
Though I'm not a lotta cash, they don't never quittin'  
Threesome, foursome, I'mma gonna get it

What it is, little mamma, whatchu you pullin' stops now?  
Yeah, let me crank it up, gonna pull the drops now  
Get your picture taken by the paparazzi  
Drop it in the pants, you can sing to my Mazarati

Leavin' the party, pull a Bacardi  
Tryin' to get to places and light it light  
Quit cheatin' yourself, you know you want the night  
You know you want the light, you want me in your life  
You want me in your bed, you want me in your head

Pullin' your leg, [Incomprehensible]

So whatchu waiting for, baby, I'm the one  
Who can show you what it's like if you try to come  
Take you to a place you've never been before  
What are you waiting for, whatchu waiting for?

Whatchu waiting for?  
(Whatchu waiting for, whatchu waiting, whatchu waiting  
for?)  
Whatchu waiting for?  
(Whatchu waiting for, waiting for, whatchu waiting for?)

Whatchu waiting for?  
(Whatchu waiting for, whatchu waiting for, whatchu  
waiting?)  
Whatchu waiting for?  
(Whatchu waiting for?)  
Whatchu waiting for?

Why don't we go back and escape the world  
I see those eyes and I know you wanna  
Leave this place so bad, yeah  
I feel it, you feel it

So whatchu waiting for, baby, I'm the one  
Who can show you what it's like if you try to come  
Take you to a place you've never been before  
What are you waiting for, whatchu waiting for?

Whatchu waiting for, baby, I'm the one  
Who can show you what it's like if you try to come  
Take you to a place you've never been before  
What are you waiting for, whatchu waiting for?

Whatchu waiting for?  
(Whatchu waiting for, whatchu waiting, whatchu waiting  
for?)  
Whatchu waiting for?  
(Whatchu waiting for, waiting for, whatchu waiting for?)

Whatchu waiting for?  
(Whatchu waiting for, whatchu waiting for, whatchu  
waiting?)  
Whatchu waiting for?  
(Whatchu waiting for?)  
Whatchu waiting for?
