All I Could Say

Chorus

WooHoo WooHoo WooHoo WooHoo

WooHoo WooHoo

Yeah yeah yeah..

I was tongue tied, I couldn't speak

My legs got shaky and weak

My palms were wet and my mouth was dry

A little nervous, kinda tense

I went and lost all my good sense

For the life of me I thought that I would die...

I never felt so uneducated

He came to me and I can't explain it

He asked my name and all I could say was...

Repeat Chorus

Well he took me by the hand

and gave a note to the singer in the band

Sayin play me something we can dance slow to

Then he pulled me to his side

Said take a hold and don't be shy

Well I held my breath till my face turned blue...

Man his eyes were hypnotizing

and what he did next was surprising

He kissed my neck and all I could say was...

Repeat Chorus

Bridge:

He's got poetry in motion

there's no words to define

The only thing that I can say

that comes to my mind is...

Repeat Chorus

Come on
