(Bob Regan/George Teren)

Throw away the book, forget about the rules, set aside  
your doubts  
They don't apply now  
Everything you know, all that's gone before  
Ain't what we're about, it's here and right now  
Compared to any other love, baby this is way more  
Beyond the physical

This ain't your typical  
Predictable  
Here today and gone tomorrow fling  
It's more of a magical  
Mystical  
Once in every lifetime thing  
It may sound improbable  
It ain't logical  
But when love is this undeniable  
It's everything and it's anything  
But typical

Jealousy and pride, all that petty stuff, trips the others  
up  
With us there's no way  
We can rise above, go against the gray

We'll be strong enough to make our own way  
The future that I'm seeing ain't a paint by numbers  
picture  
It's an original

This ain't your typical  
Predictable  
Here today and gone tomorrow fling  
It's more of a magical  
Mystical  
Once in every lifetime thing  
It may sound improbable  
It ain't logical  
But when love is this undeniable  
It's everything and it's anything

But typical

It's everything and it's anything

But typical

Predictable

It ain't typical

It ain't typical
