We got all night
To get it right
Oh, Baby don't you walk out on me

Just take my hand
Make me understand
Cause darlin' it's your love that I need.

(CHORUS)
Cause I can't make it through
One lonely night without you
(One lonely night without you)
Oh Darlin' how I need you by my side.
I wanna feel your skin next to mine
(I wanna feel you)
Stare so deep in your eyes
I wanna hold on tight
Like it's the last goodbye

Your lovin' ways
I could never replace
So, baby, wont you show me how you feel

Just take my hand
Make me understand
Cause we don't need to lose a love this real

(CHORUS x2)

Oh I wanna hold on tight
Like it's the last goodbye
