Without You
(Kevin Skinner)

I
I don't know if I could be that strong
I don't know if I could carry on
I don't know what in the world I'm gonna go
Its not the same here without you

Chorus:
Without you I'm just hanging on
Searching for the thin line between right and wrong
Without you I'm just lost in a crowd
Without you, girl, around

Without you, without you

II
I close my eyes and try to see your face
I wonder girl, if you ever feel the same
Reach and touch you but you're never there
Sometimes this whole world just don't seem fair

Repeat Chorus

I don't know if I could be that strong

.
. .
