Ladies and Gentlemen, Bobby Darin!
Thank you.

Cats and Rabbits
would reside in fancy little houses
and be dressed in shoes and hats and trousers
in a world of my own

all the flowers
would have very extra special powers
they would sit and talk to me for hours
when I'm lonely in a world of my own

there'd be new birds
lots of nice and friendly howdy-do birds
everyone would have a dozen blue birds

within that world of my own
I could listen to a beddling brook
and hear a song that I could understand
I keep wishing
it could be that way
because my world would be a wonderland

Mother children
Of the monkey's everyone little children
Of the silent, of the Mary Sunshine
Within that world of my own

I could listen to the Mary Love
That I could be, that's never be along
I could listen of my happy tonight

Because
I've had a world of my own, let's go
I've had a world of my own, hallelujah
I've had a world of my own like yours
I have had
A world
Of my own!
