Hello everybody, feeling good?
Are you ready to rock?
Are you ready to roll?
O.k. let's do it

It's a sell out - hey
Oh yes c'mon
Let me welcome you Ladies and Gentlemen
I would like to say hello
Are you ready for some entertainment?
Are you ready for a show?
Gonna rock you gonna roll
Get you dancing in the aisles
Jazz and razzmatazz you
With a little bit of style
Let me entertain you hey let me entertain you
Let me entertain you let me entertain you

Alright
I've come here to sell you my body
I can show you some good merchandise
I'll pull you and I'll pill you
I'll crueladeville you
To thrill you I'll use any device

We'll give you crazy performance
We'll give you grounds for divorce
We'll give you piece de resistance
And a tour de force of course

We found the right location
Got a lot of pretty lights
The sound and the amplification listen
If you need a fix if you want a high
Stickells 'll see to that
With Electra and EMI
We'll show you where it's at

Let me entertain you, hey, let me entertain you
Let me entertain you, let me entertain you
Ah hey

Just take a look at the menu
We give you rock a la carte
We'll breakfast at Tiffany's
We'll sing to you in Japanese
We're only here to entertain you

If you want to see some action
Got nothing but the best
The S and M attraction
We've got the pleasure chest
Chicago down to New Orleans
We got you on the line
If you dig the New York scene
We'll have a son of a bitch of a time

Let me entertain let me entertain
Let me entertain you tonight yeah
Thank you
