Oh, the shark, babe has such teeth, dear  
And it shows them pearly white  
Just a jackknife has old MacHeath, babe  
And he keeps it, ah, out of sight

You know when that shark bites with his teeth, babe  
Scarlet billows start to spread  
But fancy gloves though wears old MacHeath, babe  
So there's never, never a trace of red, darling

Let the thing swing  
On the sidewalk, huh, huh, who Sunday morning, uh  
huh  
Lies a body just oozin' life, eek  
And someone's sneakin' 'round the corner  
Tell me, could that someone be 'Mack The Knife'?

There's a tugboat, huh, huh, down by the river don't  
you know?  
Where a cement bag's just a hangin' on down  
Oh, that cement is there strictly for the weight, dear  
Five'll get you ten old Macky's back in town

Did you hear 'bout Louie Miller? He done disappeared,  
dear  
After drawin' out, feels good, all his hard earned cash  
And now MacHeath spends just like a sailor  
Could it be our boy's done something rash?  
Come on, come on

Jenny Diver, ho, ho, ho, Sukey Tawdry  
Hello Miss Lotte Lenya, good evening, Lucy Brown  
Oh, the line forms way on the right, babe  
And now that Macky's back in elderly town

I said, "Jenny Diver, look out, Sukey Tawdry  
Stay back, Lotte Lenya, move it over Lucy Brown  
Oh the line forms way beyond the right, babe  
And now that Macky's back in town"

Look out, old Macky is back!
