Mrs.Shaddow sits upon my wall, pretends she cant see  
me

Looks at me like I?m nothing at all  
Well ? Hey Mrs. Your in black and grey?  
Go to tell her what I did today  
How life struck me from behind  
She replies in her simple tone  
?Well I cant get you off my mind?

Mrs.Shaddow finds her way home  
Walks home alone  
Finds her lover kisses him away  
I still cant find my way home  
I?m alone

Cries to me in the darkened night  
She comes to me with her fears  
Says ?I found someone that is quiet?. ?  
Then she covers in tears

Mrs.Shaddow finds her way home  
Walks home alone  
Finds her lover kisses him away  
I still cant find my way home  
I?m alone

Go to tell her what I did today  
But Mrs.Shaddow is gone  
He flew her off on this red carpet  
Why does it feel she?s been gone so long ?

Mrs.Shaddow finds her way home  
Walks home alone  
Finds her lover kisses him today  
I still cant find my way home  
I?m alone

Mrs.Shaddow falls off my wall  
Into this sea of black  
Doesn?t talk to me in her simple tone  
And I still cant find my way home
