Come and sing a simple song of freedom  
Sing it like you've never sung before  
Let it fill the air  
Tell the people everywhere  
We the people here, don't want a war

Hey there, mister black man, can you hear me?  
I don't want your diamonds or your game  
I just wanna be someone known to you as me  
And I will bet my life you want the same

Come and sing the simple song of freedom  
Sing it like you've never sung before  
Let it fill the air  
Tell the people everywhere  
We the people here, don't want a war

Seven hundred million are you listenin'  
Most of what you read is made of lies  
But, speakin' one to one ain't it everybody's sun  
To wake to in the mornin' when we rise?

Come and sing a simple song of freedom  
Sing it like you've never sung before  
Let it fill the air  
Tell the people everywhere  
We the people here, don't want a war

Brother Solzhenitsyn are you busy?  
If not, won't you drop this friend a line?  
Tell me if the man who is plowin' up your land  
Has got the war machine upon his mind?

Come and sing the simple song of freedom  
Sing it like you've never sung before  
Let it fill the air  
Tell the people everywhere  
We the people here, don't want a war

Now, no doubt some folks enjoy doin' battle  
Like presidents, prime ministers and kings  
So, let's all build them shelves

Where they can fight among themselves  
Leave the people be who love to sing

Come and sing the simple song of freedom  
Sing it like you've never sung before  
Let it fill the air  
Tell the people everywhere  
We the people here, don't want a war

I said let it fill the air  
Tell the people everywhere  
We the people, here don't want a war

Freedom  
Freedom  
Freedom
