Verse 1

The wine is white and the lights are dim
They warned you don't go home with him
Cause he have two feet that'll dance again
(I know, but will I ever get the chance again)
I've been held in contempt for an incident
But it takes two to be intimate
So by no means was she innocent
(Well it wasn't a crime if I didn't witness it)

Hook

They said that chivalry is dead
Then why is her body in my bed
At sunrise, the morning paper's read
They found a body in my bed
Ahhh

Verse 2

Can nonchalant be obvious of course
I leaned towards her and whispered the choice is yours

Need I remind you that I'll have no remorse
(I understand)
Here's a kiss sweetheart this won't hurt a bit
I can kill it with kindness or murder it
Then I'll face the time a murderer gets
(Or get away with it)
Life

Hook

They said that chivalry is dead
Then why is her body in my bed
At sunrise, the morning paper's read
They found a body in my bed yes
Ahhh

Outro

Moans

May I?
(Yes)
It's okay baby
Let me touch you
(Okay)
Moans
You taste so good
