I remember when
I remember, I remember when I lost my mind
There was something so pleasant about that place
Even your emotions had an echo in so much space,
yeah

When you're out there
Without care, yeah, I was out of touch
But it wasn't because I didn't know enough
I just knew too much

Does that make me crazy?
Does that make me crazy?
Does that make me crazy?
Probably

Now I hope that you are having the time of your life
But think twice, yeah, that's my only advice
Yeah

Come on now, who do you, who do you, who do you
Who do you think you are ?
Ha ha ha, bless your soul
You really think you're in control

Ever since I was little, ever since I was little it looked
like fun
It was no coincidence we've come
And I can die when I'm done

But maybe we're crazy
Does that make me crazy?
Does that make me crazy?
Probably
