What that real, that deep, that burning
That amazing unconditional, inseparable love
That feel like ever, that always emotional
But still exceptional love

Can't nobody tell me nothing is what it is?
And any mistake you make I, I just may forgive, oh
Right now, right now at this very moment
I still love her like I loved her then

Oh, I love her in and out, and up and down
And 'round and 'round, and over and over again

So rare, they swear that you just don't exist
And it's only one person I can think of
That makes me feel like this
And I'm a fool, such a fool for you

What that deep, that sweet, that soaking
That wet, that fire, that powerful stuff
That up and that down, that front and that back
Baby, I can't seem to get enough

Ooh baby, let me do it, let me do it 'til I'm satisfied
Oh baby, now please, baby, I ain't got no more pride
Oh, sweet sugar, I surrender
I don't want no other woman, oh baby, you win

And you ain't never got to worry, ever got to worry
You'll never be alone again
Yeah, there's nothing, there's nothing
That ooh, that I wouldn't do, ah, ooh

I wrote a song about it, mama
Everybody know who I'm talking to
And I'm a fool, such a fool for you

Ooh child, I, I am
I'm a fool, such a fool
I'm a fool for you, baby, oh
Can I have you back?

Hello, baby, oh, for you, mama
Please, baby, and have mercy on me
Have mercy, have a little mercy on me
Ooh wee

I'm a fool, yeah, I'm a fool, yeah
For you, for you, oh you, oh you
