[Cee-Lo Green]

Ohhhhhhhhhhhhhhhhhhh [4X]

Heyyyyyyyyyyyyyy you!

If I build a bridge, could I, come on over?

And sayyyy

You look beautiful, even from so far away

Heyyyyyyyyyyyyyy there!

I wish I was the winnnnnnd that, blows your hair

Don't cryyyy

If I could, I'd walk right across the sky

[Chorus 1]

I see the woman for me

On the other side of the Grand Canyon

Could that beeeee the woman for me

on the other side of the Grand Canyon

[Cee-Lo Green]

I'm screaming, to to the top of my lungs

No one has heard a word, I had to say

The wind, blew them awayyyyyy

Heyyyyyyyyyyyyyy there!

I love youuuuuuuu

And oh it's not fairrrrrr

Whyyyy, can't I flyyyyy?

Cause

[Chorus 2]

I see the woman for me

On the other side of the Grand Canyon (Grand Canyon)

I couldn't see clearly, the woman for me

on the other side of a Grand Canyon, oooh

[Cee-Lo skats and harmonizes to fade out]
