gunshot

Baby ,Baby
Right where I wanna be
Baby , Baby
Dont let love make a fool of me
Yeah
I want it and I need it
Oh my body just wont lie
And oh yeah I feel it when you try and kill it
Oh but it just wont die

Who knew that one to the head and then one more to
the heart could make you feel alright
Oh wont you come set me free take me out of my
misery and make me feel alright

LOVE GUN
Oh you shot me baby
Love gun
Oh you got me baby

Baby, baby
Are you ready for the showdown
Well baby baby
Oh tonight it's gonna go down
So ain't no use in running ain't no use in hiding
I want you dead or alive

If you promise to surrender I'll love you tender
Darling I'll let you survive

Hit you with one to the head then one more to your
heart
And make you feel alright
I'm gonna come set you free put you outta your misery
and make you feel alright

With my LOVE GUN
Oh you shot me baby
LOVE GUN
Oh you got me baby

He's a hunter now I see
Wonder how long he's been watching me
Doesn't miss when he takes aim
Cock back the hammer went BANG

LOVE GUN

LOVE GUN
Oh you shot me baby
LOVE GUN
Oh you got me baby
