[Cee-Lo Green]

You know what I want!

[Chorus 1]

I want a red, hot, a-lover [2X]

Loverrrrr!

Please, please, please, ohhh

[Cee-Lo Green]

I'm up early in the morning

Love me, let me go

Uhh she didn't let me sleep at all last night

And I already want some mo'

I said uhh, yeah, that's the way I like it

Sugar baby can't you see

Big and bad and burning hot

is all you'll ever have to be

[Chorus 1]

[Cee-Lo Green]

Now when the woman know she want it

her body's gonna tell you so

Ahh soaking wet and I ain't touched her yet

All that heat tamale so

I said uhh, yeah, that's the way I like it

Wouldn't change it if I could

And baby because you took a chance on me

I promise I will fuck you good

[Chorus 2]

I want a red, hot, a-lover [2X]

Loverrrrr!

Red, hot, a-lover

I want a red, hot, a-lover

Loverrrrr!

Please, please

[Cee-Lo Green]

They got a sound that's bad

Open up and let me say

She can get, whatever she want  
Just save a little piece for mee  
I said uhh, yeah, that's the way I like it  
Wouldn't change it if I could  
And baby because you took a chance on me  
I promise I will get it good [fades]
