we don't even conversate, we don't even act no more
we used to go out all day, but our kids are the number
one chore
where did the loving go, we really need to ...this far,
yeah, eh
i swear this feels like a game and i ... got the score
and she say

mentally i'm gone, we believe there's no tomorrow,
tomorrow
mentally i'm gone, we believe there's no tomorrow,
tomorrow
mentally i'm gone, we believe there's no tomorrow,
tomorrow

i reflected back home myself, i think i'm abusing this
all
i think i really need some help can you get counseling
for
baby i get it, i did, the problem's ... come talk
now that ...there's a problem, i hold my head up so
and she say

mentally i'm gone, we believe there's no tomorrow,
tomorrow
mentally i'm gone, we believe there's no tomorrow,
tomorrow

mentally i'm gone, we believe there's no tomorrow,
tomorrow

i hope everyday bears out fine
i hope the sunshine's up at bay
i hope everyday bears out fine
i hope the sunshine's up at bay
i hope everyday bears out fine
i hope the sunshine's up at bay
i hope everyday bears out fine
still keep saying

mentally i'm gone, we believe there's no tomorrow,
tomorrow

mentally i'm gone, we believe there's no tomorrow,
tomorrow
i'm gone, we believe there's no tomorrow, tomorrow
mentally i'm gone, we believe there's no tomorrow,
tomorrow.
