Chorus

I'm afraid of Scarlet because
I'm fallin' in love
and I am not ready to die
Scarlet fever is killing me

she's a sophisticated lady
it's that easy to explain
her name is Scarlet
but I'm not sure about who we are yet

and I find it very hard to fight
I mean this woman seems to do every single thing so
right
international woman, she has seen a time or two
[knock not so easy, oh how Scarlet how nice of you to
leave it]?

She's an interesting character in a movie about me
me and Scarlet and Scarlet fever, which one should I
call it

and things that I have not said she hears
then she just does something to me and then
disappears

chorus x2

I'm afraid of Scarlet because
I'm fallin' in love
and I am not ready to die
Scarlet fever is killing me

such a special love
feels like fire every time I touch her
it's Scarlet fever, and I'm not ashamed to say that I
need her
it's the sweetest sickness that I have ever known
I think I love her, I just hope that I don't cry because of
her

and I noticed that every time she came
it's amazing how she never ever looks the same

and I know you know, I know you do
because you are just too good to be true

chorus x2
I'm afraid of Scarlet because
I'm fallin' in love
and I am not ready to die
Scarlet fever is killing me

refrain x2
I said I don't wanna stay
I don't wanna go
all I really know is that I just don't know
it's fever, oh lord, it's Scarlet fever

chorus x2
I'm afraid of Scarlet because
I'm fallin' in love
and I am not ready to die
Scarlet fever is killing me
