un run run away so lost lost never comin
Home rollin rollin down a track
No no iÂ'm never comin back
Hot? love pumpin in my veins
Our love I hope its not too late
ThatÂ's the road thatÂ's the load thatÂ's the role
IÂ've been down iÂ've been down I've been down down

what part of forever don't you understand?

I could stay stay stay, if thatÂ's what you want want
want
IÂ'd give it to you you you
If I had a heart heart heart
And we could go go go
And never look back on now
IÂ'd give it to you you you
If I had a heart heart heart

Run run run away so lost lost never comin
Home rollin rollin down a track
No no iÂ'm never comin back
Hot? love pumpin anekatips in my veins
Our love I hope its not too late

ThatÂ's the road thatÂ's the load thatÂ's the role
IÂ've been down IÂ've been down I've been down down

what part of forever don't you understand?

I could stay stay stay, if thatÂ's what you want want
want
IÂ'd give it to you you you
If I had a heart heart heart
And we could go go go

And never look back on now
IÂ'd give it to you you you
If I had a heart heart heart

Imagine eternity doesnÂ't seem that hard
They say nothing lasts forever

We'll have to prove them wrong

I could stay stay stay, if that's what you want want
want

I'd give it to you you you

If I had a heart heart heart

And we could go go go

And never look back on now

I'd give it to you you you

If I had a heart heart heart
