All it takes is the moonlight  
And as long as the weathers fair  
Reacts through a river  
Romance by the evening air

A fragrance on the flesh  
This is who she is, don't apologize  
You are to awe her  
But you'll only have be beautiful in the beholder's eye

Wonderful wildflower  
Open up, let me see  
Ooh, sexy hints in seasons  
Share your sunshine with me

Oh, the picture is perfect  
A keepsake 'cause the occasion's rare  
It's a poetry in motion  
I'm just proud to say that I was there

To pull her out of the ground  
Standing out in the crowd, oh my, how she's grown  
Hold her with both my hands  
And put her right on the table when I get her home

Wonderful wildflower  
Open up, let me see  
Ooh, sexy hints in seasons  
Share your sunshine with me

Show those pretty colors, baby  
Show them all to everyone  
Everybody's got a  
Little light under the sun

Wonderful wildflower  
Open up, let me see  
Ooh, sexy hints in seasons  
Share your sunshine with me

Wonderful wildflower  
Open up, let me see

Ooh, sexy hints in seasons  
Share your sunshine with me
