I believe in magic.  
Once upon a time.  
When something had to be special.  
Couldn't see it online.

Was that my business plan?  
Well, you lost your biggest fan.  
Tell me, what's the point in doing  
what anybody can?

Now all the rock stars are regular people,  
and being alive is becoming a bore.  
'Cause nothing, absolutely nothing, is shocking  
anymore.

Now that reality is a TV show, I wish you liked me a little  
more.  
'Cause nothing, absolutely nothing, is shocking  
anymore.

I can't believe it's over.  
The glory days are gone.  
I can't hear my heartbeat  
with the radio on.

Now he's in love with him  
and she's the M&M.  
Well hey, I wish you well.  
'Cause everything's for sell.

Now all the rocks stars are regular people,  
and being alive is becoming a bore.  
'Cause nothing, absolutely nothing ,is shocking  
anymore.

Now reality is a TV show I've seen a million times  
before.  
'Cause nothing absolutely nothing is shocking  
anymore.

(Instrumental break)

Now all the rocks stars are regular people,  
and being in love is becoming a bore.  
'Cause nothing absolutely nothing is shocking  
anymore.

Ain't nothing at all better than a j-o-b, but tell me who  
you're working for.  
'Cause nothing, absolutely nothing, is shocking  
anymore.
