Not coming home now to start
Words fall through me to a broken heart
The scene replays in my mind
What did you do with my sunshine

My sunshine

What will they say if I feel the same way
I do, I don't, I do, I don't, I do

Green Gummy Bears are in my hand
Under my sun is where you stand

Where do you hide when the rain don't fall
Do you stand, stop, and listen as you you stall
I hold my feet so hard to the ground
So I don't fall and spin around

Spin around

Green Gummy Bears are in my hand
Under my sun is where you stand
Your words fall through me to a broken heart
Your endings begin right where I start

I do, I don't, I do, I don't, I do

Green Gummy Bears are in my hand
Under my sun is where you stand
Your words fall through me to a broken heart
Your endings begin right where I start
