Mrs.Shaddow sits upon my wall, pretends she cant see me

Looks at me like IÂ'm nothing at all  
Well Â" Hey Mrs. Your in black and greyÂ"  
Go to tell her what I did today  
How life struck me from behind  
She replies in her simple tone  
Â"Well I cant get you off my mindÂ"

Mrs.Shaddow finds her way home  
Walks home alone  
Finds her lover kisses him away  
I still cant find my way home  
IÂ'm alone

Cries to me in the darkened night  
She comes to me with her fears  
Says Â"I found someone that is quietÂ.... Â"  
Then she covers in tears

Mrs.Shaddow finds her way home  
Walks home alone  
Finds her lover kisses him away  
I still cant find my way home  
IÂ'm alone

Go to tell her what I did today  
But Mrs.Shaddow is gone  
He flew her off on this red carpet  
Why does it feel sheÂ's been gone so long ?

Mrs.Shaddow finds her way home  
Walks home alone  
Finds her lover kisses him today  
I still cant find my way home  
IÂ'm alone

Mrs.Shaddow falls off my wall  
Into this sea of black  
DoesnÂ't talk to me in her simple tone  
And I still cant find my way home
