Oh no, oh no, oh no, no, oh no
It's been three days
And two lonely nights
And I can't get you out of my mind
The way you put it on me
Was so amazing
That I can't wait 'til the next time

'Cause when you do it like that
It's hard for me to hold back
I lose control
And I want you more

When you do it like that
It's hard for me to hold back
I lose control
And I want you more and more and more

How do you do
What you do to me
I ask myself time and again
Girl, I can't believe
This is happening to me
'Cause when this started
We were just friends

I never, I never dreamed that you
Could feel this way
You're the best I ever had, yeah
So incredible
You're so good
I could fall in love with you
That's how I feel

When you do it like that
It's hard for me to hold back
I lose control
And I want you more

When you do it like that
It's hard for me to hold back
I lose control

And I want you more and more and more

When you do it like that
It's hard for me to hold back
I lose control
And I want you more

When you do it like that
It's hard for me to hold back
I lose control
And I want you more and more and more

I never dreamed that you
Could feel this way
You're the best I ever had
So incredible
You're so good
I could fall in love with you
That's how I feel

When you do it like that
It's hard for me to hold back
I lose control
And I want you more

When you do it like that
It's hard for me to hold back
I lose control
And I want you more and more and more

When you do it like that
It's hard for me to hold back
I lose control
And I want you more

When you do it like that
It's hard for me to hold back
I lose control
And I want you more and more and more

You're the best I ever had
You're the best I ever had
You're the best I ever had
You're the best I ever had

When you do it like that
It's hard for me to hold back
I lose control
And I want you more

When you do it like that

It's hard for me to hold back
I lose control
And I want you more and more and more

When you do it like that
It's hard for me to hold back
I lose control
And I want you more

When you do it like that
It's hard for me to hold back
I lose control
And I want you more and more and more

When you do it like that
It's hard for me to hold back
I lose control
And I want you more
