It's time to turn the page
We both agree we need to see love another way
Open up and finally communicate
To show respect and put some love in every word we
say
No more wasted time
Here's our chance to put the pain and hurt behind
In this moment we resolve to redefine
How we choose to love and treat each other kind
Ohhhh don't you go no where woman
Ohhhh cuz I need you in my life, baby
Oh don't you go no where sugar
Oh no no no don't you dare please don't you dare

We're making a brand new start
And it's forgiveness that will heal our wounded hearts

Give it time I know we'll learn to trust again
I miss my babygirl you were my bestfriend
I'll go the extra mile for you
There ain't nothing in this world I wouldn't do
Anywhere anyway anything to prove
I'm gonna be a better man for you

Ohhh don't you go nowhere for more
Ohhh cuz I need you in my life, lady
Ohhh keep it right there baby,
Ohhhh stay with me please stay with me

Ohhh, baby this joy this joy I feel inside my heart right
now
It makes me glad makes me oh so glad
That we took the time to put this love of ours
Back together again, baby
Girl we gotta hold on to this love of our, baby
Hold on tight to our love, baby
So glad we found the love, now we've gotta an
understanding
I'm made for you you made for me
Ohhh don't you go nowhere woman
Ohhh no no no I need you in my life baby
