I feel this...

Is where my rot belongs  
In an earthen pit  
Bathing in dirt, I'm at one with the soil  
I can't live with the rest of you  
So I'll live in a pit

The worms are my brothers  
The slugs are my people

They know me I am of them  
It is so clear the earth is my home

Dirt to dirt back to earth  
Hidden from life above

I sulk underground  
Deep in loving mud  
Loathing in darkness  
The life that walks above

Scorned long ago  
In the world above  
But here I'm loved

This is my kingdom

Of crust and mud  
I'm beckoned  
To crawl into a pit

Cast down from light  
Into mud into slime into home  
Human to shit to womb (the true existence)  
Away from joy from hope to nothing  
I bathe in mud

Swallowed deeper down  
The maggots speak my name the flies rejoice (the true  
hymns of praise)  
I conform not to your futile ways

I conform to sewage and insect  
I live in mud

Coward  
And you'll never save me  
No

I'm beckoned to crawl into a piiiit
